For fun! How closely have you been paying attention during the sermons? The sermons for the last two weeks have included an unusual word, not often found in sermons. Listen closely this week and see if you can pick out the word.

Here is our current parish prayer list after we made changes on August 22. As usual, please email Fr. Tom if you have any further additions or subtractions.

Thoughts from the Vicar – Recently, I was handed a paper with 7 questions having to do with Church Growth. I think they deserve consideration and discussion, so during the month of October at coffee hour, we will be considering them. There are 5 Sundays in the month, so we ought to have plenty of time for thoughtful consideration. Please give time to considering your answers ahead of time.

October 3: Do you expect the church to grow to double its current size in the next 12 months? Why or why not?

October 10: What are you prepared to do to grow our church?

October 17: Facebook: Who is on Facebook? Would you be willing to talk to people on Facebook, or draw information from it? **Fr. Tom: Given Facebook's reputation for misinformation on a variety of topics, is it the best platform for streaming our services? If not, what alternative presents itself?**

October 24: Still Facebook. We have several people watching our mass on their computers. Has anyone reached out to them?

October 31: Can you think of other ways we could reach out to people in need of Christ?

If by chance you are reading our newsletter for the first time and wish to receive it on a regular basis, please send me an email at my personal email address on the first page so I can send it to you directly to you next month.
